

Take a ride in a fuel cell car: 10:00am–2:00pm

All visitors of SPI 2018 get the opportunity to ride the following fuel cell cars:

Honda Clarity, **Hyundai NEXO** and **Toyota Mirai**. The test ride area will take place on Transit Plaza.

The cars will be featured by the California Fuel Cell Partnership.

H2 station & fuel cell bus trip: 11:00am–1:30pm & 2:00pm–4:00pm

SunLine Transit Agency will provide a fuel cell bus to visit a hydrogen station operated by Air Liquide in Anaheim, CA. Visitors get the chance to learn more about hydrogen fueling. The second stop will be at an operating fuel cell system for 24/7 onsite power generation and backup power.

September 25–26

Hydrogen + Fuel Cells NORTH AMERICA
Anaheim, CA
